

CANDY PROCESS EQUIPMENT

LOYNDS CUT & PILLOW PACK MACHINE

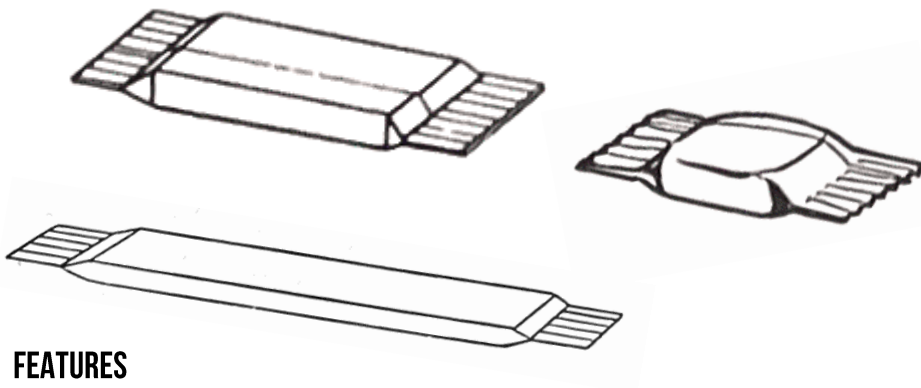

FOR THE CUTTING & WRAPPING OF SOFT, HARD CANDIES & GUM IN A PILLOW PACK STYLE WRAP

The Cut & Pillow Pack Machine operates at speeds of up to 350 packs per minute and is complete with a print registration unit. It is suitable for soft candy & gum.

The unit consists of a double infeed roller section, cutting, piece transfer, transport chain, wrapping & section.

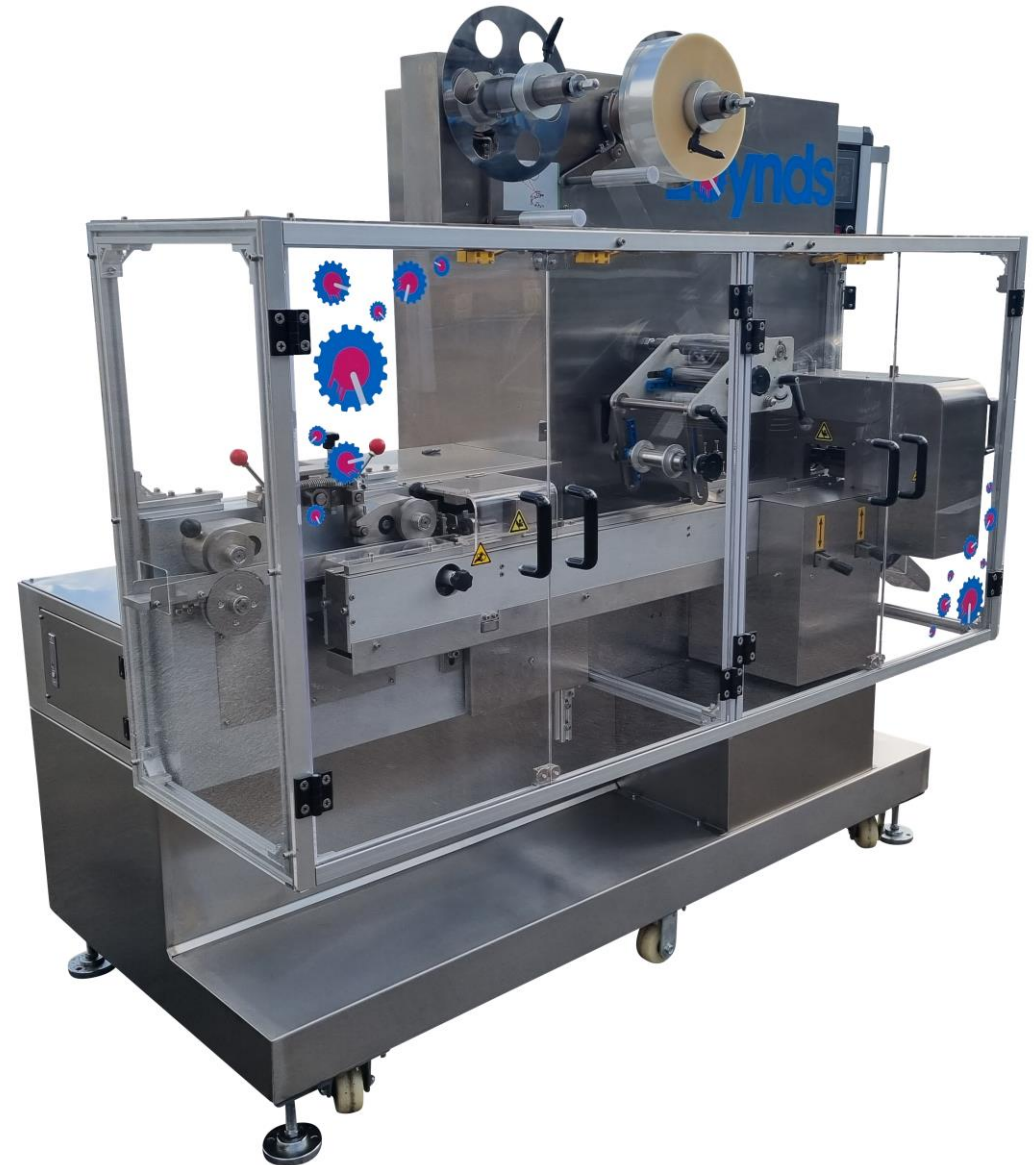

The machine is used with a batch roller & rope sizer or in some cases with an extruder to give a complete automatic candy forming line.

The machine can be manufactured to form & wrap either small pieces or longer bars.

FEATURES
