

ESSENTIALS HUMBUG / BERLINGOT START UP KIT

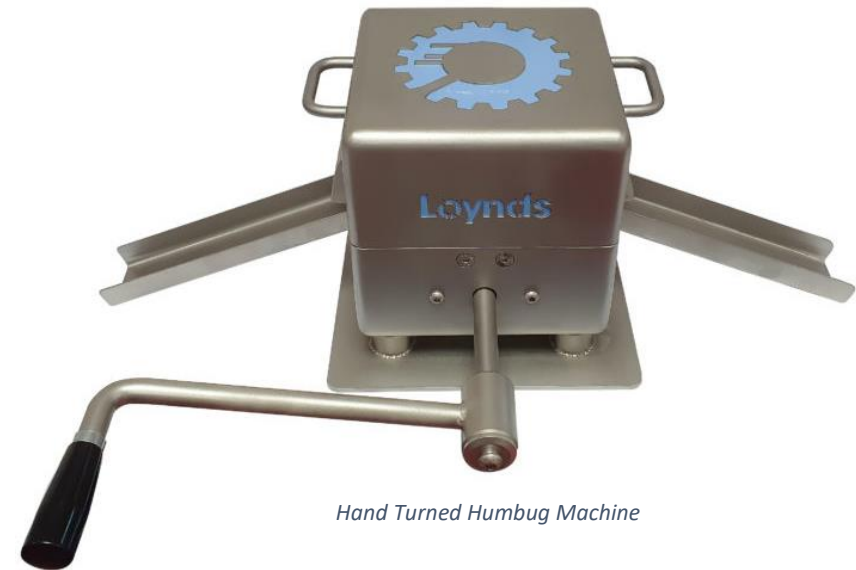

TABLETOP START-UP KIT FOR HUMBUG / BERLINGOT CANDY PRODUCTION

Get started with candy manufacturing on a small scale using our Mini Humbug/Berlingot Start-Up Kit. This candy manufacturing kit is specially designed for entrepreneurs and small businesses focusing on traditional Humbug or Berlingot sweets. This is the essentials kit and is a great entry level setup to start manufacturing candy. This setup is great for people who want to manufacture using a more hands on method with minimal automation.

Maintaining the Humbug / Berlingot Candy Manufacturing Kit is a straightforward process due to its user-friendly machine design. Engineered for ease of use and minimal upkeep, no specialised skills are required to maintain the kit effectively. The design eliminates the need for tools wherever possible, allowing for swift and efficient removal of components such as cutters from the humbug machine or sizing wheels from the rope sizer.
